PROFESSIONAL SUMMARY

Senior Graphic Designer and Motion Graphics Specialist with 7+ years of experience delivering high-impact visual identities, digital products, marketing campaigns, and video content for startups, agencies, fintech companies, and international brands across Africa, Europe, and North America. Proven track record of leading creative projects end-to-end from concept to delivery across branding, UI/UX, web, mobile, print, and social media, while partnering closely with developers, marketers, and product teams to build customer experiences that strengthen brand recognition and drive measurable campaign performance. Fluent in Adobe Creative Cloud, Figma, AI-assisted creative workflows, and front-end technologies, with a consistent focus on clean, user-centered, and business-driven design solutions.

PROFESSIONAL EXPERIENCE

Senior Graphic Designer & Video Editor

SmartTeller

02/2025 – Present

Lagos, Nigeria

- Direct creative strategy and execution across digital, web, mobile, print, and social media platforms for a fintech-adjacent technology company.
- Designed and launched marketing campaigns that lifted audience engagement by over 40%.
- Partner with software engineers and product managers to refine UI/UX across core digital products, translating user research into design decisions.
- Produce promotional videos, educational content, explainer videos, and product demonstration content used across SmartTeller Academy and SmartTeller Robotics.
- Create motion graphics, logo animations, and branded visual assets in Adobe After Effects to elevate brand presence across channels.
- Lead end-to-end video production for two internal learning brands, from concept and scripting to final edit.
- Streamline creative production pipelines using AI-assisted tools (ChatGPT, Synthesia, VEED, HeyGen), cutting turnaround time on recurring content.
- Mentor junior designers on brand standards, workflow, and quality, maintaining consistency across multiple concurrent products.

Senior Graphic Designer

Clayvon Creative Agency

01/2022 – 12/2023

Austin, Texas

- Led branding and digital marketing projects for a portfolio of international clients across multiple industries.
- Delivered 15+ creative assets weekly on tight deadlines while maintaining consistent brand standards.
- Increased average campaign engagement by 34% through strategic, data-informed visual design.
- Designed presentations, advertising creatives, social campaigns, brochures, and corporate profiles for client-facing pitches.
- Produced marketing videos, animated advertisements, YouTube content, and social media campaigns from brief to final delivery.
- Introduced a quality-assurance review workflow that reduced client revision cycles by 25%.

Graphic Designer

Meridian Brand Studio

2021 – 2022

London, UK

- Designed complete branding systems visual identity, guidelines, and collateral for startups and growing businesses.
- Produced digital advertising creatives for Google Ads and Meta campaigns across multiple client accounts.
- Created promotional videos and motion graphics supporting integrated marketing initiatives.

- Managed multiple concurrent client projects while consistently meeting delivery deadlines.

Graphic Designer

Gulf of Guinea Media Group

2019 – 2021
Accra, Ghana

- Designed branding materials and digital marketing campaigns for media and consumer-facing brands.
- Developed brochures, corporate publications, banners, and digital assets supporting brand launches.
- Standardized visual brand guidelines across multiple campaigns, improving cross-team consistency.
- Delivered 60+ creative projects on schedule across print and digital formats.

Junior Graphic Designer

Royal Sign & Print

2018 – 2019
Lagos, Nigeria

- Designed outdoor advertising, signage, brochures, business cards, posters, and marketing materials for SME and corporate clients.
- Assisted with website graphics and UI improvements, supporting the studio's early digital offerings.
- Supported branding projects end-to-end for small and medium enterprises.
